

# BUNDLE AND SAVE

## 2016 PROGRAMS AND PROMOTIONS

### Getting Started Bundle

Promo Code- HCGCSGSB2016USD

**Receive a 10% discount on a GCS900 Machine System, SPS Base/Rover/Collector Kit or Both if Purchased Together.**

Discount applies to the following components of the GCS900 Machine System:

- CB460 Control Box
- MS992 Receivers (pair only)

Discount applies to the following components of the Base/Rover/Collector Kit:

- SPS855 Base Station & SPS985 Rover Kit
- SC3 or Trimble Tablet

Promotion does not apply to machine radios, masts, cables and mounting hardware for the GCS900 Machine System.

Promotion does not apply to base poles, range poles and collector brackets on the Base/Rover/Collector Kit.

### Grade Control Bundle

Promo Code- HCT00013

**With the Purchase of a GCS900 Accugrade or Trimble 3D Machine Control System, Receive a Second Base Kit FREE.**

This promotion allows you to take advantage of the portability of the system and move it from machine to machine, rent an additional machine system and base station to run an additional project, or buy a second system down the road to be installed with the second base kit. This is an excellent upgrade path for competitive technology users.
